MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Insurance Premium Story

You will recall you told Frank Shakespeare's people your insurance premium story. I said I was intrigued by it and suggested you might want to use it.

On second thought I recommend you not use it. It focuses on you the security problem that attends your position. Additionally, if it got to the working press, it might turn into some sort of a "cutesy" story, especially if the figures involved were used.

Dear Mr. Clemens,

I am writing to express my thanks to the
International Mark Twain Society for their Gold Medal,
which has been handed to me by Mr. Philip Guedalla.

It will serve to keep fresh my memory of a great
American, who showed me much kindness when I visited
New York as a young man by taking the Chair at my first
public lecture and by autographing copies of his works,
which still form a valued part of my library.

Yours very truly,

Winston Churchill
